BOARD OF DIRECTORS OF COMMUNITY TRUST BANCORP, INC.**

As Approved by the Board of Directors on January 29, 2019

I. AUTHORITY AND MEMBERSHIP

Membership. The members of the Audit and Asset Quality Committee (“the Committee”) are appointed annually by the Board of Directors of Community Trust Bancorp, Inc. (the “Board”) on the recommendation of the Nominating and Corporate Governance Committee. The members will serve until their successors are duly elected and qualified by the Board. The qualifications of each member of the Committee will be reviewed annually.

The Board determines the number of members in the Committee from time to time, but the number will not be less than the minimum number prescribed by applicable law, the Community Trust Bancorp, Inc. (the “Corporation”) Bylaws or by requirements of the Nasdaq Global Select Market or such other exchange or system on which the Corporation’s securities are listed, quoted and/or traded (“Listing Requirements”). In no event will the number of members be less than three (3).

Committee members must fully satisfy independence and experience requirements as prescribed in Listing Requirements, Section 10A of the Securities Exchange Act of 1934 (the “Exchange Act”), the rules and regulations of the Securities and Exchange Commission (“SEC”), and the Federal Deposit Insurance Corporation Improvement Act of 1991 (“FDICIA”) and applicable rules and regulations thereunder.

At least one member of the Committee must be a “financial expert” as defined by the rules of the SEC and meet the “financial sophistication” experience or background standards contained in the Listing Requirements. At least two members of the Committee must have “banking or related financial management expertise” as defined by the FDICIA and the applicable rules and regulations. All members of the Committee must be able to read and understand fundamental financial statements at the time of their appointment to the Committee. Committee members are encouraged to participate in continuing training and education programs and sessions in order to improve oversight skills and financial literacy, with such participation being considered in the annual assessment of the Committee’s performance.

No member of the Committee may be an “affiliated person” of the Corporation or any of its subsidiaries (as defined under federal securities laws) nor may any member of the Committee simultaneously serve on the audit committee of more than two other public companies. Fees for service as a director (and as a committee member or committee chair) are the only compensation that a Committee member may receive directly or indirectly from or on behalf of the Corporation. No member of the Committee may be a “large customer” of the Corporation as defined by the FDICIA and its applicable rules and regulations.

Committee Chair and Secretary. The Board will appoint one of the members of the Committee to serve as Committee Chair. The Committee may also appoint a Secretary, who need not be a director.

Legal, Accounting and Other Advisors. The Committee has the authority, as it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Committee also has the authority, as it deems necessary or appropriate, to ask the Corporation to provide the Committee with the support of one or more Corporation employees to assist it in carrying out its duties. The Corporation will provide for appropriate funding, as determined solely by the Committee, for payment of compensation to the independent auditors for the purpose of rendering or issuing an audit report and to any other advisors employed by the Committee. The Committee may request any officer or employee of the Corporation or the Corporation's outside counsel, independent auditors or other advisors to attend a meeting of the Committee or to meet with any members of, or advisor to, the Committee.

The Committee is directly and solely responsible for the appointment, compensation, and oversight of the work of the independent auditor (including resolution of disagreements between management and the auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The independent auditors will report directly to the Committee.

II. PURPOSE OF THE COMMITTEE

The Committee's primary purpose is to:

- Provide assistance to the Board by monitoring:
 - (a) the integrity of the financial statements of the Corporation;
 - (b) the independent auditors' qualifications and independence;
 - (c) the performance of the Corporation's and its subsidiaries' internal audit function and independent auditors;
 - (d) the Corporation's system of internal controls;

With respect to joint sessions of the Committee:

- (a) The Committee may meet simultaneously as a committee of the Corporation and any subsidiary of the Corporation that does not have its own Audit Committee, though it should hold separate sessions if necessary to address issues that are relevant to one entity but not the other(s) or to consider transactions between the entities or other matters where the Corporation and one or more subsidiaries may have different interests; and
- (b) The Committee should consult with internal or outside counsel if, in the opinion of the Committee, any matter under consideration by the Committee has the potential for any conflict between the interests of the Corporation and those of the Corporation's subsidiaries in order to ensure that appropriate procedures are established for addressing any such potential conflict and for ensuring compliance with the Corporation's policies regarding Sections 23A and 23B of the Federal Reserve Act.

The Committee's role is one of oversight as set forth in this charter. It is not the duty of the Committee to prepare the Corporation's financial statements, to plan or conduct audits, or to determine that the Corporation's financial statements are complete and accurate and are in accordance with generally accepted accounting principles ("GAAP"). The Corporation's management is responsible for preparing the Corporation's financial statements and for maintaining internal controls.
